Another great installment in the Memories series!

By Dan Mitton

Mr. Vos, you have one filthy mind. I enjoy that in a writer! Rimming, Snowballing, Felching, Oral Sex and Anal Sex.....all in the same sex scene! Amazing, and pretty darn hot.

A Spring Break Memory takes us back into the lives of Adam Sutton and his husband J.J.. Adam and J.J. learn that Adam's adopted brother Thad's boyfriend Jason has been called into the Principal's office and questioned on whether or not Adam has ever touched him inappropriately! Then Thad is called in and questioned as well. What is going on? Adam hasn't even considered doing something like that. Suddenly he is suspended from his position! And escorted to his office by a police officer to get his personal effects!

When Adam's mother, Maggie Sutton, finds out what is going on, she instantly becomes suspicious and calls in a secret group composed of lifelong friends to solve the mystery! Will the group be able to track down the culprit? Who would want to frame Adam, and why? Is there a way to get the story recanted?

Meanwhile, to stay out of the spotlight, and get some much needed stress relief, Adam, J.J., Thad and Jason embark on a relaxing Caribbean cruise. Hot times ensue, some good...which might contain whipped cream, and some not so good....especially the "hot" time when poor Thad ignores everyone's advice and doesn't wear any sunscreen in the pool!

I really enjoy this series, and look forward to more installments in the lives of these men. I highly recommend this installment, as well as the previous three. If you are a Max Vos fan, you will love them. If you haven't read any Max Vos books, this series is a good one to start on! It is lighter and more fun than

some of his works, but an entertaining afternoon's read. Give the series a try. I would highly recommend starting at the beginning because each installment builds on previous installments. Enjoy!

Another home run!

By Jazett Fortner

Max has worked his magic yet again, with this series. I love Adam and J.J., but most of all I love Maggie. That woman is not going to let anyone hurt her family, and get away with it. J. J. and Thad have fallen into the perfect family, that is going to love them and look out for them. I'm praying for more from this series.

By Thomas Fraser

I loved A Spring Break Memory, anything with the Suttons involved is always a great story. I love JJ and Adam and in this book we get to meet a few new people like Joe and Gerry. And I believe that a story with these two may well be on the way Woo! Hoo! Buy this book you will not be disappointed. Well done Max.
