ego disco

By E. L. Champion

Required for Latin course I am taking. Find the course and this book difficult to process. They claim it is laid out as you would need to use for reference in first two chapters. I find it difficult to find clarification of word form in this format.

Useful but could be better.

By H. Poole

This grammar booklet is a useful addition to the CLC textbooks, but has two major flaws in my opinion: 1. Grammar wise it is very incomplete (e.g. hardly any clear info on the use of cases). I realize it is a

supplement to a reading method, but I am frustrated in a similar way with the actual CLC textbook which at times provides little clarity to the students. 2. The lay-out and print are rather unclear (too much text on one page).

A very good review grammar

By Julius L McCarter

A very useful grammar for reviewing students on the morphology. Also has some excellent review exercises.
