Don't Mess with Mercy...

Mercy Spencer is a tall blonde dynamite with a short fuse that just got lit. She's on a charitable mission, by damn, and that rowdy cantina next door is drowning out her gospel singing. The clash with the sexy-as-hell man who runs the cantina hits with enough force to burn down the small Mexican town.

What happens in Mexico...

Is supposed to stay in Mexico but Hunter can't get that blonde with the ice blue eyes out of his mind when he goes home to Texas. Finding her isn't the problem. Convincing her that he's interested—well, that's another story.

Mercy tried to get over Hunter, especially when she found out about his past. She had two choices: move on or give him one more chance because no other man should have to live in an old love's shadow.

If you liked Carolyn Brown's books, *Love Is*, *Trouble in Paradise*, *The Wager* or *The Yard Rose*, you will love *An Old Love's Shadow*.

Memories for me

By Dianeholmquist

This love story made me think of a couple of my first loves. That all consuming desire to be together all the time and the hot kisses from a first love. Especially for a 64 year old. Just don't like details too descriptive in

the sex leave something to the imagination :)

A so-so read

By Cate W.

I have read a number of her books and usually give them 5 stars, but not this time. Even the grammar was only fair. Pass this one up.
