Successful restaurateur Lucien Black's blue-green eyes and unattainable attitude drive women wild. But his abandonment issues and criminal past have left him emotionally closed off. When a familiar face shows up for a job interview at his nightclub, the ache he has tried to forget tears at his heart—it's the girl who once healed him...and then abandoned him.

Darcy MacBride still remembers Lucien's delicate touch when they were both wildly in love teenagers. His gorgeous eyes had soothed her hurt after she'd been dumped off at the orphanage where Lucien lived. Darcy felt his jagged edges fit perfectly into her own, and she'd planned to spend the rest of her life with him—until a mysterious man warned her away. Now, fourteen years later, she's ready to endure the torture of Lucien's indifference and having him as her boss...just to be near him. But when it seems that they might finally take up where they left off, a devastating secret buried in their past threatens to tear them apart again.

L.A. Fiore's story of smoldering love recaptures the tormented romance of Beautifully Damaged.

LOVED IT

By Ree-Ka

WOW!!!! JUST WOW!!!!!! I LOVE, LOVE, LOVED this book. It has been on my TBR forever, and I finally stopped everything else to read it. and WOW I don't know why it took me so long to read this. Once I started I was hooked.

Lucien and Darcy's story was just amazing. I couldn't have asked for anything better. There was so much that

was happening in this story and things connecting that I had no idea had to do with the other thing.

Lucien's and Darcy's life was robbed from them. Who knows what could have been if it wasn't for that man that came into their lives to keep them apart. I was absolutely enthralled in this story. The entire time, I did not want to put it down. My Friend who had already read this book and suggested that I read this series, was constantly getting bothered. I texted her ALL DAY. What is happening? What the? Who is? NO WAY? Is that? I wanted her to tell me what was happening cause the suspense was killer, but at the same time, I didn't want her to tell me. of course she didn't, and my mind was running rapid for what was to come.

I love a good romance book, and I love a good mystery book. THIS is the best of both books. I knew there would be a little mystery going into this, but I really wasn't prepared for what I was getting into. Not only do we get to learn of Darcy and Lucien's romance, we get more of Ember and Trace.

She becomes his salvation...his absolute everything.

By Tbascoebuzz

There are so many stories, twists and turns within this story. There's Lucien Black and Darcy MacBride's drama...there's Trace and Embers struggles, and the list goes on. But first and foremost, the story is of Darcy and Lucien.

Darcy MacBride is a sweet, intelligent and witty young woman. She's gutsy and strong and pretty much stands up for herself. She's sincere and genuine...and she's a survivor in a world in which she has no one. I loved her character.

Lucien Black is a domineering, arrogant, handsome brute of a man. He's extremely wealthy and powerful...commanding and controlling. I latched onto him from the first time he came into play, in Beautifully Damaged (Beautifully Damaged series). He's harboring extreme bitterness from a love lost 14 years ago - - and he's never forgotten this first love of his life. The girl who broke his heart. Darcy MacBride. And then one day out of the blue, she shows up at his office for an job interview.....aaaahhh...payback!... revenge is sweet (he thinks).

This was a great story of two young teens who fall in love and then are forced to part ways. "She" never shows up for their rendezvous to run away together..."he" never searches for her to find out... "why"? He's so angry that he writes her off and becomes embittered. Fourteen years later they reconnect and the storm erupts. And even though so much time has passed and they're basically different people...the one constant is the feelings they had only have intensified and grown.

This is a wonderful story of letting anger, regrets and feelings of revenge go. A story of learning to pick up the pieces and be thankful for second chances. This story is full of political corruption, kidnapping and murder...blackmail and embezzlement. The downside is, it's so twisted and convoluted that at times it was hard (for me) to keep everyone's story straight...who's the father of whom...who's had an affair with whom, etc. I needed to write it all down to keep it straight...it got that confusing for me. And second: I didn't particularly care for the author jumping back and forth in time. It would go 14, 15 & 16 years into the past...then immediately jump back to current times.

Still, I loved the story of Darcy and Lucien (love that Lucien!!) and it was wonderful to follow up on Trace and Ember. Kudo's Ms. Fiore!

Beautifully Forgotton is the story of Lucien and Darcy

By Chelsea

Beautifully Forgotten is the story of Lucien and Darcy. Lucien was dropped off at the same Orphanage as Trace at the age of two, he was raised by one of the nuns, Sister Anne and had come to think of her as his mother, he even took her last name, Black. When he was 16 a girl came in, Darcy MacBride, she was 14 and she changed his world.

When Lucien leaves the Orphanage he does some bad things to become the man he will be, but that's what he becomes, a man, a wealthy man.

What made Darcy choose not to follow Lucien. That is the question in Beautifully Forgotten. We learn that she was pregnant and a man came and convinced her that Lucien would have been better off without her. The questions were, who was the man, why did he come?

Read Beautifully Forgotten and find out what happened with Darcy's pregnancy, it's a good one. Also, Todd's back, find out how he's involved. You'll also be updated on Trace and Ember, because duh, besties.
