captures their interest and attention all the way through to the last word."~Choir Lady

"I was so engrossed that I didn't want the story to end." ~Chatty

From the Author

I had always wanted to write a series about sisters and cousins, and though I knew the series name, Conundrums of the Misses Culpepper, way before I knew the individual titles of the books, I couldn't decide if I wanted all the books set in London.

Wagers Gone Awry was inspired by two things: someone I know with a gambling problem, and a dairy farm along the Oregon Coast owned by my husband's friend.

The appeal of having a heroine taking care of her sister and cousins, and also manage a dairy farm enticed me, especially since both were frowned upon during the Regency era.

I also wanted a highbrow hero who would be brought down a peg or two, a guy who readers might want to slap silly in the beginning of the story, but by the end, they adore him.

And, of course, I had to add Freddy, the Welsh Corgi, who you'll find makes the story quite interesting.

About the Author

A bestselling, award-winning author, COLLETTE CAMERON pens Scottish and Regency historicals featuring rogues, rascallions, rakes, and the intelligent, intrepid damsels who reform them.

Blessed with three spectacular children, fantastic fans, and a compulsive, over-active, and witty Muse who won't stop whispering new romantic romps in her ear, she still lives in Oregon with her mini-dachshunds, though she dreams of living in Scotland part-time.

Admitting to a quirky sense of humor, Collette enjoys inspiring quotes, adores castles and anything cobalt blue, and is a self-confessed Cadbury chocoholic. You'll always find dogs, birds, occasionally naughty humor, and a dash of inspiration in her sweet-to-spicy timeless romances.

PDF

Brooke Culpepper resigned herself to spinsterhood when she turned down the only marriage proposal she'd likely ever receive to care for her family. After her father dies, a distant cousin inherits the estate and becomes their guardian but permits Brooke to act in his stead.

Heath, Earl of Ravensdale is none-too-pleased to discover five young women call the dairy farm he won and intends to sell, their home. Desperate, pauper poor, and with nowhere to go, Brooke proposes a wager. His stakes? The farm. Hers? Her virtue. The land holds no interest for Heath, but Brooke does and he accepts her challenge.

Brooke loses, and her devastation is compounded when the cousin arrives, intending to haul the Culpepper misses off to London. Heath astounds himself and proposes in order to apply for guardianship of the other girls.

Does Brooke dare marry the handsome stranger who'd been bent on compromising her? Will Heath regret his impulsive gesture, or will unexpected love flourish?

This book can be read as a stand-alone, but is part of the Conundrums of the Misses Culpepper series.

The Spinster finds an Earl

By Bonnie Raymond

Brooke Culpepper is still unmarried at the age of 23 which makes her a spinster. It has been five years since

her father's death when Brooke gave up any thought of marriage and accepted the responsibility of raising her younger sister Brette and their three orphaned cousins, Blythe, Blaike, and Blaire. This was complicated by the current law which only allowed the next male heir to inherit. Since her father had no sons to inherit Esherton Greene, his estate in Cheshire England, the property passed to Brooke's cousin Sheridan Gainsborough. Sheridan also became the legal guardian of the four younger Misses Culpepper. Unfortunately cousin Sheridan's only interest in them is to demand the lion's share of any small profit earned on the estate as rent or he would evict the struggling family. With family like that you don't need enemies. Sheridan ends up gambling and losing the unencumbered part of the estate and lands to the Earl of Ravensdale. The Earl has been told that the tenants are behind in their rent, which he later learns is a lie. He rides from London to tour his new property and inform the current tenants that they must vacate the premises. When the Earl arrives at Esherton Greene in a driving rainstorm he is determined to rid himself of the estate at the earliest opportunity but his resolve fades from the moment he lays eyes on the 5 stunning Culpepper women and he must come up with a new plan to rescue them from their pitiful circumstances.

Wagers Gone Awry is Book One in the Conundrums of the Misses Culpepper Series. I love this book! I found it to be well written and the story engaging and paced in a way that will leave you swearing to read "just one more page" before turning out the light to sleep, but an hour later, you're still reading. It's been years since I read a Regency Romance but after reading Wagers Gone Awry, I feel as if I have renewed an old and dear friendship and I look forward to reading the rest of the books in this series when they are released. I was provided with an ARC for my review but I thoroughly enjoyed this book. Buy it. You won't be disappointed.

Another beautiful Regency!

By Nicole Laverdure

Wagers Gone Awry was a delight to read! It's a beautiful introduction of Collette Cameron's new series Conundrums of the Misses Culpepper! It's filled with romance and humor! Brooke Culpepper resigned herself to spinsterhood when she turned down the only marriage proposal she'd likely ever receive to care for her family. After her father's death, a distant cousin named Sheridan, becomes the guardian of the five women. But Sheridan is a gambler and offers the dairy farm in guarantee, and loses it to Heath, Earl of Ravensdale. Heath, a charming rogue, doesn't really want the farm and has the intention of selling it, until he meets the five beautiful women. Desperate and poor, Brooke, being in charge, will offer a wager to Heath that will change her life forever. Will he accept the challenge? Will sparks flare? Will she finally find happiness? Beautiful sweet chemistry between Brooke and Heath. This story is so romantic, it will sweep you off your feet! Another Regency romantic love story written by Collette Cameron.

Spinster + Confirmed Bachelor = fabulous, humorous romance

By Debbie Lou

What a wonderful start to the new series Conundrums of the Misses Culpepper! Brooke Culpepper has ran her dairy farm and taken care of her sisters and cousins since the death of her father 5 years ago. Their guardian has allowed this, until he lost the farm to Heath, Earl of Ravensdale. Upon winning the dairy farm, Heath heads to the farm prepared to sell it and move on. Then he meets the beautiful Brooke, her sisters and cousins! Realizing after the sale of the farm they will have no where to go, he forms the plan of making Brooke his mistress. No plan is foolproof, special when the humorous interference by sisters, servants and an old pet dog. When a wager is made between Brooke and Heath, which will end with Brooke being his mistress or not, the romantic tension keeps building. Add a friend of Heath's and the guardian returning, and you have the formula for a wonderful book. The end results for a spinster Brooke and a confirmed bachelor Heath rounds up this 5+ first book in a new series. Collette has the unique ability of writing laugh out loud humor and great secondary characters on her books.
