Think of Tom Clancy with Sex

By JJ

I just ordered this book yesterday and couldn't put it down. A fast-moving adventure with plenty of BDSM thrown in. Pirates, a transvestite assassin, beautiful, powerful women and some really evil characters who get their clocks cleaned with nothing PC about it. After reading von Stuka's other novels, I must comment that this one has both sex and substance. This is NOT light reading nor for people who have not had exposure to S&M type books. A far cry from the junk in 50 Shades, this is pretty hard core and the book's heroine is a solid, martial arts investigator who makes no bones about her own sexual proclivities. I can't wait for the next one.

Really enjoyed the story but wish it hadn't ended so quickly

By Mark Bolin

Spoilers.....

Really enjoyed the story but wish it hadn't ended so quickly. Bibi and Jean are a good duo who work well apart or as a team. Would have liked to read mor about Ann and her daughters after they were rescued. Wish that Karine hadn't be rescued so fast but maybe someday a sequel will continue the pursuit of Brillcart or perhaps Brillcart's pursuit of them instead.
