My son is a huge fan of Dinosaur Train and anything dinosaur. He loves this book, we read it at least once a day. I like that it gives several facts without seeming to overwhelming. It is also a sturdy book. I also like that it gives the phonetic spelling to help pronounce the dinosaurs.

Great book!

My 3 year old twins love it. If a kids loves Dinosaur Train - they will love this book. It's a constant favorite for my twins and it follows the song from the cartoon. The only downside is I am forced to read it over and over again and sing the song!
