En su barrio, ¿terminan las reuniones de consejo siendo simples proyectos calendarios? ¿Se tratan debidamente todos los temas de su agenda y se asigna cada responsabilidad a los oficiales correspondientes? ¿Tiene cada miembro del consejo la oportunidad de participar como es debido? En este nuevo libro El Divino Sistema De Consejos, disponible ya en idioma español, el élder M. Russell Ballard explica a los líderes del sacerdocio y de las organizaciones auxiliares lo que debe hacerse a fin de que los consejos de estaca, de barrio y de familia sean una experiencia positiva y provechosa. Trata con elocuente claridad sobre lo que hombres y mujeres pueden hacer para trabajar juntos con mayor eficacia. Explica asimismo que nuestros consejos son un sistema inspirado y describe por qué y cómo pueden ser productivos en todos los niveles administrativos de la Iglesia, desde la Primera Presidencia hasta el círculo mismo de la familia. Analiza las bendiciones y el poder de los consejos y enseña lo que deben hacer en ellos los líderes de la Iglesia para resolver problemas, motivar, inspirar y alentar la participación de todos sus integrantes. Merced a esta obra, los líderes y los maestros que formen parte de estas reuniones incrementarán notablemente su conocimiento en materia administrativa y de servicio.
