¿Qué es la alabanza? ¿Qué es adoración? ¿Es la alabanza un arma para la guerra espiritual? Exploración de la Adoración responde a esas y otras cuestiones en una manera sencilla. El autor echa las bases teológicas para la adoración verdadera en el cuerpo de Cristo. Una herramienta muy útil para los músicos y directores de alabanza que desean hacer lo mejor para adorar a Dios. "En estos tiempos en los que Dios está trayendo un avivamiento en el área de alabanza y adoración, es de suma importancia que haya material escrito que nos pueda marcar la pauta en el tema. Bob Sorge ha escrito, en mi opinión, uno de los libros más excelentes al respecto. En Exploración de la Adoración encontrarás un tesoro de material invaluable de referencia para tu vida personal como músico, salmista y/o líder espiritual. Yo lo recomiendo altamente y lo he usado en muchas ocasiones para mi propia vida y ministerio". -Marcos Witt

If you want to get more information about praise and worship get this book. Many people believe that a praise team should just get up and sing along with music, but there is more to what God wants. Everything starts with our very own praise first towards God.
