Well well well

By a little disappointed

I bought this book thinking it was like the poems I read on-line by Fransisco...it was not as deep as those poems....I gave it 5 stars because he is an excellent poet however this book in particular does not showcase those deeply reverential pieces I read on instagram & his website

Absolutely stunning

By Emily Bordelon

These aren't like the poems that you would see on the Internet. They aren't long and dramatic. But they way these words hit you, it's almost better than seeing Rudy perform. He's truly a genius. Any fan of his work

will love this.

A fast favorite...

By Remington Moore

Rudy has become a fast favorite since discovering him on Tumblr just a few months ago. He has an open relationship with words that's pretty astounding to see up close. Can't wait to collect and indulge in more of his works.
