"Own her, Sir. Own her for me?"

Victor was just a regular guy with a nowhere sex-life. Then, he found out that his masculine seed puts any gorgeous woman he wants into an obedient trance. It would have been smart to be discreet about reshaping their strong wills and beautiful bodies to his service, but Victor was overwhelmed with the sudden power. Now, it's all starting to unravel.

Desperate for absolution, he comes clean to the first beautiful babe he controlled—Mallory. But Mallory's mind is so warped and dirty at this point that she loves Victor's new power. In fact, she wants to cheer him on while he brings even more sexy beauties under his spell, even including his delectably gorgeous, snobby ex-girlfriend, Audrey.

Controlling all these women, making them love everything about him, reforming their wills until they worship him and are eager to perform every single depraved and erotic act he can think of—Victor knows it's wrong. He knows he should stop, even though all his new servants beg for more. But the only woman he can turn to now for help is the same ex-girlfriend who broke his heart. And wrong though it may be, that model-perfect, innocent, fertile beauty is one Victor has been dying to own for as long as he can remember.

Excellent reading

By Keen

The sign of a good erotica for me is whether I would read it again, I think. Maybe it's that way for any story? Maybe I should read something other than erotica all the time and experiment...nah.

At any rate, I'll be reading this story, and this series, several times over. Lots of little details that stand out to make it extra hot. All the outfits, the inductions, the variations in sex scenes, etc. Nadia Nightside, you've got a fan in me!

An all timer!

By A Reader

This may very well be my favorite story Nadia has written so far. It features the dominance found in the books preceding this one, and also adds a nice new kink of one of the girls wanting to watch him enslave another and wanting to know how his power works. Leading to him dominating his ex, a bit reluctantly at first before embracing his power. Just super well done.

"a perfect engine of lust"

By gcharis

I thoroughly enjoyed this story and savored it a few paragraphs at a time. Control is not my thing but this was masterfully portrayed with piercing insight. The story is also filled with incendiary sex. Disclaimer: I'm a sucker for stories about bookstores lol!
