SHELTERING HIS DESIRE: A #GEEKLOVE CONTEMPORARY ROMANCE (LOVE HACK BOOK 2) BY ALLYSON LINDT PDF

Alyssia's animal shelter needs a boost of cash to expand its center for abused pets. When her older brother's best friend, Tate, offers her first access to his crowdfunding startup, she has a million reasons to say yes. And only one reason to say no—she's crushed on Tate forever, and he doesn't feel the same. As long as she remembers he's just eye candy, it'll be fine. She wants happily ever after, not just happy until the morning after.

Tate's taking the family business to new places, adding a crowdfunding portal for small companies. He just has to ignore the fact the woman using one of his pilot sites isn't the bratty tag-along she used to be. Alyssia's grown up, filled out, and has a sexy mind on top of it all. Not that it matters. Tate never hooks up with clients, and he's certainly not going to pursue his buddy's sister.

When Alyssia's shelter suffers from slanderous press, the backlash threatens both their businesses. They find stress relief in each other, and an unforgettable night of no-strings passion. The fallout will destroy families, careers, and lifelong friendships if Tate and Alyssia can't admit how they really feel.

Warning: This book contains a woman who's been crushing on her brother's best friend for ages, a wealthy hero with a soft spot for puppies, and a lot of naughty, after-hours fooling around.

Sheltering His Desire

By Lynn Smith

Alyssia needed money to expand and keep her animal shelter running. Tate her brother's best friend and her crush since she was young created a program to raise the money. Tate was attracted to Lys but knew not to go there, her brother will probably kill him. Besides being known as a player, he never had any intentions of settling down. When an abused dog comes into the shelter, Lys refuses to return him to his owners and this sets into motion some bad publicity for her shelter. When she Lys and Tate agree to one night together, they both find themselves wanting more. Now he is going against the mixing business with pleasure.

Loved the attraction between Lys and Tate. It jumped off the pages. With her over protective big brother Jared , Tate knows this can never go anywhere. Being raised in such a dysfunctional family, Tate never believed in one women for a man. No matter how he feels about Lys. Plenty of suspense and some hot sex scenes the book keeps you turning pages. Allyson never fails to come through with her sexy nerds. I received a copy of this book in exchange for an honest review.

Wait, there's only five stars?!

By Pamela Sims

I was gifted an ARC by the Author for an honest review. This was a six star read for me, Tate and Lys have amazing chemistry! Tate works with Lys's brother-who's overprotective of his little sister- and they are all friends since childhood. Tate has a reputation as a ladies man, specializing in one night stands and no attachments. Lys is so likable as a character, you will find yourself cheering for these two. Perfect, perfect, perfect!!!

Better than the first

By WFTM (cntryrox)

Alyssia is a veterinarian. Tate is her brother's best friend and a part of her life since she was young. He sets up a program to help her raise money to expand her animal clinic. When a dog is brought in abused, she refuses to give it back to the owners. Which happens to be rich and sleeping with Tate's mother. Who is a world class witch! They start a campaign to have her shut down and take her to court. Tate has always been the one night stand type but one night just won't due with Alyssia. But she wants marriage and kids and he doesn't think he's good enough for her. With his family being so dysfunctional and not believing in happily ever after.

Smoking hot sex scenes. Horrible parents, who I wanted to slap. A protective big brother. And a sexy geek and beautiful doctor.
