FOR AUTHORS ONLY

By SNOOKIE

This book is a must for authors who need information about how to write dialog-the best that I have read. The author reviews manuscripts for a major publisher and often an excellent story is rejected because of bad dialog.

He believes that in a novel for example some authors reproduce exact words said by their characters - this is wrong and is not dialog. Many books on writing give incorrect information about writing dialog.

The book also gives other valuable tips for a new author.
