TELLING GOD'S STORY: THE BIBLICAL NARRATIVE FROM BEGINNING TO END BY PREBEN VANG, TERRY G. CARTER

PDF

How well do you know His story?

By the time a Christian reaches young adulthood, he is likely to be quite familiar with every major story in the Bible, but not from having studied them in any particular order.

Ask an average Bible student to arrange certain characters and events chronologically, and the results are telling.

Telling God's Story looks closely at the Bible from its beginning in Genesis to its conclusion in Revelation. By approaching Scripture as one purposefully flowing narrative, emphasizing the inter-connectedness of the text, veteran college professors Preben Vang and Terry G. Carter reinforce the Bible's greatest teachings and help readers in their own ability to share God's story effectively with others.

Ideal for classroom settings, this second edition of Telling God's Story now features all supporting charts, photographs, and illustrations in full color!

Interesting way of presenting scripture.

By Linda Johnson

Haven't finished the book yet but very interesting way of presenting scripture.

1 of 2 people found the following review helpful.

You can paraphrase a story and make it sound great without being true to the author's intent

By Donna

Ok how can you go from Creation to Abraham in a few paragraphs and completely leave out the main adversary of the story, Satan? That is a critical piece that sets up the overarching theme of the bible and ties the whole thing together from Genesis to Revelation. If you leave that out and/or de-emphasize Satan's role then you will miss the real point of the story. I found that omission alarming so I checked out other strategic sections and it appears to me that the authors barely mention Satan. The salvation themes of the bible cannot be clearly understood without Satan in his proper context.

You can paraphrase a story and make it sound great without being true to the author's intent. Hollywood does it all the time when turning good books into film. I urge caution here. Is this just a good read ? Is it an accurate reflection of God's story ? I wanted it to be both a good read AND accurate. But how can it be if the authors don't handle one of the main characters accurately from the beginning ?
