Excellent study guide

By Mr. and Mrs. V O

One of the main problems I see in modern Christianity is the lack of understanding who the Creator is. When is the last time your pastor preached on Isaiah 6:3? This study guide goes a long way to helping the Christian understand who God is.

A great study guide for a great study

By Robert Connolly

After all these years, Sproul's "Holiness of God" series is still one of the best and this study guide makes it that much better - especially when viewing the series in a group setting. Bridges and Ingram ask thought provoking questions that help you go deeper with what Sproul has taught, enabling you to get the maximum benefit out of the series. It has been a real help to me as I have lead a discussion on this series in our church.
