When Mr. Hardy disappears while investigating a mystery surrounding a vacant house rumored to be either haunted or an abode for criminals, the Hardy Boys search for the truth.

About the Author

Franklin W. Dixon was the pseudonym devised by Edward Stratemeyer for the author of a series of mystery books he was developing which became the Hardy Boys series. The first book, *The Tower Treasure*, originally published in 1927, was ghostwritten by Leslie MacFarlane who went on to write 19 more, including #2 through #16. In all, there are 58 titles in the original Hardy Boys Mysteries series published between 1927 and 1979 written by 17 different men and women. Many of the books were later revised, adding another four Hardy Boys Mystery Stories to the total.

From AudioFile

Put away the lens of character development and take out the lens of pure adventure. Frank and Joe Hardy are given a mission by their father, which turns into a full-blown rescue event. For the seasoned Hardy fan or the new listener, narrator Bill Irwin brings the thrill of being alongside Frank and Joe as the plot thickens. Irwin is breathless, questioning, eager, discouraged, and optimistic--just as the boys are, and he voices supporting roles with a hint of each character. Be ready to jump, as the sound effects are most realistic! A.R. © AudioFile 2002, Portland, Maine-- Copyright © AudioFile, Portland, Maine

THE best Hardy Boys story

By Amateur Historian

This concerns the original text edition of *House On The Cliff*. The revised edition is most familiar, but this one is richer in subplots and character development. This book was originally released back in the late 1920's, and is, arguably, the best Hardy Boys book in the entire series. Admittedly this is my personal

opinion, but I have read each and every Hardy Boys title (both original and revised text) in the first 58. This story was revised during the first wave revisions of the Hardy Boys back in the late 1950s. If you've never read the original text version of this story, you're in for a treat.

Classic, Refreshing, British

By M. B. Doogan

Young Efrida Jane Ware finds herself the heiress to an old English Country Estate after a life of hardship and anxiety in London. Determined to hold on to the the only connection she has to her mysterious heritage, Elfrida moves into the old ancestral home penniless and full of dreams...much to the chagrin of her lawyer, love-interest, and friends. As she discovers the people of Devonshire and the roots of her own story, she finds her true friends, love, and home. Elfrida becomes a genuine heroine with strength, confidence, and grace.

We bought this book years ago at a Library sale and I now read it at least once every summer. It is an easy read with suprisingly wonderful character development and a great story line (Stevenson effortlessly weaves together mystery, romance, adventure, drama, and comedy). D. E. Stevenson's book *The House on the Cliff* is refreshing in its innocence, believability, and good British sense. Anyone who loves all things Classic, Tweed, and English will love this book.

Great for gettings kids to like reading.

By A Customer

I read so many of these a few years back, and I am now stocking up my home library with these great imaginary scenes. My children are too young to read, but my nephew likes them just fine. Great for boys AND girls. Start kids off with some fun and clean reading, and they will love reading later on.
