THE MONTANA BRIDE (THE JACKSON FAMILY LEGACY BOOK 5) BY JEANNIE WATT PDF

She's not running anymore...

After a decade away, Jacie Rose has returned with her daughter to Cherry Lake to renovate a historic hotel...and to lay some ghosts to rest. She knows she'll have to confront mistakes she made in the past, but she didn't expect to be living right next door to the guy she once asked to be her husband.

When Brett Jackson was approached ten years ago by Jacie Rose with the wild scheme of marrying her to help her out of a jam, his white knight instincts kicked in and he agreed to be her emergency groom. The only problem was that the bride didn't show up for the wedding. How's he supposed to get used to seeing the woman he's never forgotten every day now that she's his neighbor?

Determined to provide the secure home life for her daughter that she never had, Jacie is not about to bring a man into her life—even one that she sometimes thinks should have been there all along. But Brett and Jacie soon discover the spark between them is even stronger than before... Now that their paths have crossed again, will they lead them back to the wedding that almost was?

A charming love story

By Marsha @ Keeper Bookshelf

Sometimes the choices we make for the good of the ones we love turn out to be the worst decisions for ourselves. Jacie didn't want her daughter, Darby, to ever feel that her mom wasn't in her corner first and always. Not like her own mother who had taken Jacie's stepfather's side always even when his actions were abusive or just simply wrong. She would never, ever give a man the chance to do to her daughter what had been done to her.

The trouble with that kind of logic is that you also miss out on the awesome things that letting another person be a part of your life could bring. It's going to take Jacie a while to see that. Maybe once some of her own ghosts are laid to rest. Perhaps with the help of a horse crazy nine year old who sees all too clearly what her mom wants but is afraid to reach out for. And just possibly with the security of the man who loves her and has always had her back Jacie can make that commitment.

Brett has always been attracted to Jacie. So when she'd asked him to marry her in order to keep her from even more trouble from her stepfather he hadn't hesitated. Unfortunately, he'd never had the chance to see if they might have made their unexpected marriage work since Jacie never showed up at the courthouse on their wedding day. Now here she was, back in Cherry Lake and looking even more tempting and being even more stubborn. The spark was still there between them. If only Jacie could see that Brett would protect Darby from hurt and harm as much, if not even more so than he would Jacie.

The Secret Bride is a lovely story, one of those happy and sad ones, where what could have been almost messes up what should have been. With drama caused by Jacie's former stepfather and his minions at her new position – and with Jacie blocking just about every advancement that Brett makes, well it's going to be a long hot summer as these two figure out that the past is just that. And the future could be theirs if they take the risk.

I enjoyed The Secret Bride very much. And I'm hoping that there will be many more stories from Cherry Lake in the future. It happened in Marietta, so why not here. *hopeful grin* I would recommend this one for any romance reader who enjoys a really good love story, with family and heritage at the forefront and a happy ever after.

I received an e-ARC of The Secret Bride from the publisher and NetGalley in exchange for an honest review. That does not change what I think of this novel.

The Secret Bride (Secrets of Cherry Lake Book 5) by Jeannie Watt

By MissKiki

A second chance for love.

Ten years ago, Jacie Rose left Cherry Lake. Before doing so, she left Brett Jackson waiting at the courthouse where they were supposed to be getting married.

Jacie has returned to her hometown to oversee the Montreau Hotel renovation. Jacie didn't expect to be renting a house right next door to Brett. Brett has always wondered why Jacie stood him up on their wedding day without any explanation.

Jacie's daughter, Darby, starts attending horse camp with Brett's cousin Molly, which leads Jacie and Brett to seeing each other much more than expected. Then, one night Brett kisses Jacie. Everything changes after that. Will this finally be their time to be together? Or is it just too late for them?

This was an easy book to get hooked on. I enjoyed how Jacie and Brett got reacquainted and seeing Jacie's friendship with Lil and Molly grow. Georgia and Clinton drove me nuts and I could feel Jacie's tension with dealing with them on the renovation job. All around, this is a great book.

It's Never too Late for Love

By paulalala

I absolutely adore all the Secrets of Cherry Lake books that I have read. Each one weaves small town peculiarities with love. In *The Secret Bride*, Jacie Rose returns to Cherry Lake to face not only the peculiarities but also her evil step-father and her once really good friend, Brett. Her father sets out to destroy her career as a structural engineer. Brett just wants an answer to why she asked him to marry her ten years ago when she learned she was pregnant with no idea where the father was and then she left him at the courthouse when she ran off.

I loved the funny/cute fumbling and bumbling between Jacie and Brett. Jacie's daughter, Darby, rings true of a nine year old in her personality and tendencies.

It is a thoroughly enjoyable story.
