A HARDENED, LONELY SHEIKH

Prince Omar's heart was as barren as the desert—until beguiling Jana Stewart, his daughters' tutor, tempted the widower's weary soul like an oasis. Though the powerful prince desperately desired Jana's touch, he resisted her, believing that love was merely a mirage....

A WOMAN TO HEAL HIM

Jana was captivated by the sheikh and his breathtaking inheritance, the Cup of Happiness. But a taste from the goblet had failed to bring him joy. So Jana tempted the prince to touch his lips to hers, and in his unquenchable desire she glimpsed his hidden need to be healed...and loved. Could this beauty restore Omar's faith in family...and make this solitary sheikh lonely no more?

Powerful sheikhs born to rule and destined to find love as eternal as the sands...SONS OF THE DESERT

Ok

By Not impressed

I was disappointed with this book. The synopsis promised a real romance of loving woman melting the heart of a cold hearted man but that was not this book. The h was a school teacher who wanted to get away from her interfering mother; the H wanted his young princesses to learn to speak and write English so they would be prepared to rule over the Kingdom some day. The H, a king lost his wife during child birth. Although he was not in love with her, her death along with other losses and perceived betrayal by his brothers devastated him. He was described as cold and uncaring but to me, the book portrayed a lost and tormented man, who was very deliberate in his behaviour.

The physical attraction was easy to follow particularly as the H would secretly watch the h swimming. However there was nothing romantic about the relationship. There wasn't much tenderness except for during sex. The h was rather rude for the most part which does not equate with being strong or independent or standing up for herself. (please authors, remember that a strong woman is not rude or lacks protocols). The H was not rude. He was a bit brooding but sociable and mannered. It was hard to see any love growth past the combative disagreements between the couple. Even after the h put the H and his daughters at risk she continued the bad attitude. One doesn't have to be rude to get one's point across.

The action was the best part for me although I was looking for the romance. I gave the book 3 stars because the action was exciting but I'm not going to recommend it because everyone expects romance in a romance

novel.
