Great Read

Thoroughly enjoyable book. Thought provoking and inspiring. There is much wisdom found within it's pages that us westerners have lost.

Best buy for those new to Credo Mutwa.

By A Customer

Credo Mutwa once again speaks with power and authority about Mother Africa. Told in his own conversational voice, the Sanusi (High Sangoma) Mutwa reveals much of Africa's mighty knowledge. See Credo Mutwa's various prophecies later in the book for living proof of his visionary abilities. eg: He predicts the role of Monica Lewinsky in Bill Clinton's career. Etcetera! Credo Mutwa is no doubt an authority in his field and we in South Africa look to him as such. Read and learn where-ever you are. This man is talking about the near future lives of us all.

Song of the Stars

By Lion111

This book has some interesting info on African shamanism and lore however this book is identical to Zulu Shaman: Dreams, Prophecies and Mysteries. Why are they selling the same book under different titles?
