UNNECESSARY ROUGHNESS (THE MATING GAMES BOOK 2) BY CREE STORM PDF

The Mating Games gathering has arrived!

Finding ones mate is not always easy. Not everyone's mate is always the same species and the Council knows this, so they designed a way for all types of shifters and other paranormals to come together. Have some fun, meet new people, and if you are one of the lucky ones....find your mate.

Knowing that Councilman Troy is responsible for their friend's disappearance, and proving it, are two different things. However, Colby and Ian are just as determined to do that, as they are to figure out how to make their mating official.

Discovering that the councilman is using endangered animal shifters for his own purposes, pushes Colby's saber toothed tiger and Ian's giant golden crowned flying fox to change their approach, but not their determination.

The thing is, even with all they know, can they save Joop and the others and still prove that Councilman Troy is behind it all or will the Councilman make these two a part of his experiments first?

Absolutely wonderful. I love this series so worth the read.

By Crystal Watson

This is Ian and Colby's story. Poor Ian has never been with anyone before the one guy he had feelings for ended up being someone paid by another company just to get info on Ian and his friends. So when he meets Colby Ian isn't sure he can trust him. Colby wants Ian but Colby isn't your usual shifter. Colby is something old and almost extinct. He's afraid that Ian won't be able to accept him. But they have bigger problems. Ian friend Joop is missing and they know that the evil councilman Troy is behind it. They just need proof and to find Joop. Will these two get to have their happily ever after. Can Ian and Colby overcome their insecurities and live happily ever after. Or will everything they love be destroyed by Councilman Troy. I absolutely love this series. I love the characters and the story line. This is one of the best series this year. Find out for yourself.

Sensual and Sexy

By Evelise @ S.E.X. Reviews

A saber toothed tiger and a flying fox made for a wonderful couple in Cree Storms' Unnecessary Roughness, The Mating Games #2. Colby and Ian lit up the pages with their wit and charm as they banded together with Ricky, Derk, and friends and family to discover the unscrupulousness of the council and save their friend Joop.

What I am enjoying about the series is that although the storyline will continue in the next book, each one still delivered an HEA. But I do recommend reading them in order.

The secondary characters, once again kept me laughing and thinking, 'everyone needs parents like them'.

Ms. Storm delivered sensuality and sexiness, especially in the mating of Colby and Ian. Depth and intrigue accompanied the drama as the tale unfolded.

I am adoring the series and look forward to reading the next book.

Enjoyable love story with an adventure that kept me on the edge o' my seat. Colby and Ian are tough and sweet at the same time. The lives that they touch as they go on the rescue adventure is amazing. Spoiler Alert: Story ends leaving you wanting more. Can't wait to get the next one.
